DETAILED DESCRIPTION OF QUALIFYING SURVEYING EXPERIENCE FOR SURVEYOR-INTERN

Experience is to be obtained in the following major element of professional surveying and shall include a minimum of three months (520 hours) of accumulated experience in each one of the major elements. The Board requires that qualifying experience shall be accomplished under the direct supervision of a Registered Professional Land Surveyor. The goal is to require progressive experience, not one year of experience repeated several times.

DOCUMENTATION, DESCRIPTIONS, MONUMENTATION AND PREPARING FINAL SURVEYS

1. Coordinate the preparation and processing of maps, plats, reports, descriptions or other documents
2. Prepare boundary survey maps; check final closures and accuracy of final drawings.
3. Prepare metes and bounds land descriptions using the actual monumentation by size and type and either set or found. Presents metes and bounds description to the Designated RPLS for review and acceptance.
4. Assist in the planning, directing, and analyzing necessary for the preparation of surveys, plats and related documents.
